

Town of Ballston Community Survey

Envision Ballston! Take the survey and share your ideas and comments with us.

The Town of Ballston has initiated an update to the Town's 2005 Comprehensive Plan. The Comprehensive Plan will provide direction for long-range planning for the growth of the community while protecting its natural, cultural, and economic resources. The purpose of this survey is to gather input from community members, property owners, business owners and other stakeholders about the Town. This information will help inform the overall vision, goals and strategies for the Town and help shape the Comprehensive Plan update.
