

TOWN OF BALLSTON STUDENT SURVEY SUMMARY

A. SURVEY OVERVIEW

As part of the public engagement component of the Town of Ballston Comprehensive Plan update, an online student survey was conducted. The purpose of this survey was to gather input from students attending middle or high school within the Town of Ballston. With the under 18 age group representing nearly 23%¹ percent of the total Town of Ballston population, gathering input from the younger generation in the Town of Ballston is an important part of the comprehensive planning process. Getting students involved in their community through this survey is one way to offer students a voice in shaping the Town’s future. That voice may include identifying ways to make the community safe, healthy, and responsive to the needs of all ages including middle and high school students. This information will help inform the overall vision and goals for the Town and help shape the Comprehensive Plan update.

An eight (8) question survey was created and distributed to students using Survey Monkey. The survey opened on January 25, 2021 and remained open until February 5, 2021. There were 710 responses received.

The survey was distributed via email to middle and high school students within the Burnt Hills-Ballston Lake Central School District and the Ballston Spa Central School District. Burnt Hills-Ballston Lake schools are in the hamlet of Burnt Hills while the Ballston Spa Central School District schools are in the northern portion of the Town. Information for the survey was distributed during the survey period on flyers which included a Quick Response (QR) code for direct access to the survey on a smartphone or tablet.

Data Limitations

The survey is one of multiple public engagement activities intended to gather input from the community. The survey responses are self-selecting and are not statistically valid. The survey alone cannot be used to find the “answer” or “solution” but can in part help identify common themes and trends.

B. SURVEY HIGHLIGHTS

The following is a brief highlight of each question of the survey. For the full survey results see the attached survey questions and responses.

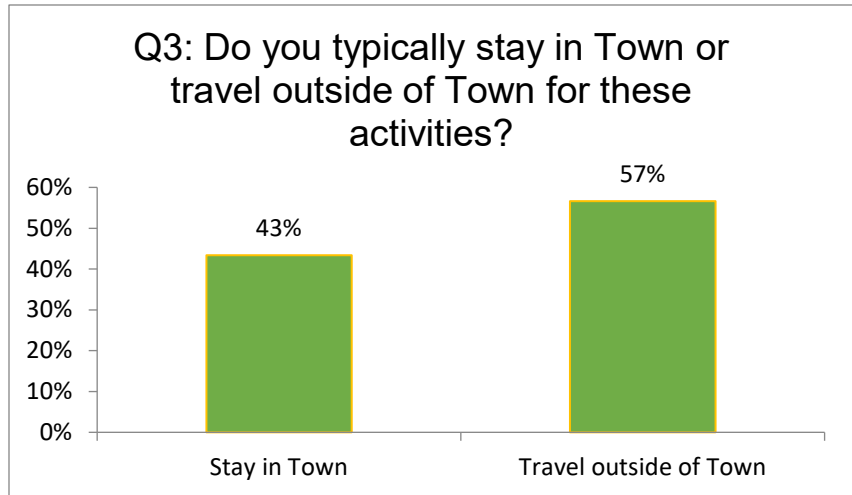

Question 1 (Q1) asked students if they live in the Town of Ballston. Understanding where responses are originating is important because the school district boundaries are not tied to the municipal boundaries and not all students live in the Town of Ballston. However, it is still important to understand their thoughts and opinions as they go to school, shop, and recreate in Town. Of the responses, 70% indicated they live in the Town of Ballston while 30% indicated they do not.

Question 2 (Q2) asked students what type(s) of activities they and their friends like to do when not in school. The top three (3) most selected responses were entertainment (such as movies, bowling, etc.) at 67% followed by go out to eat at 55%, and shopping at 44%.

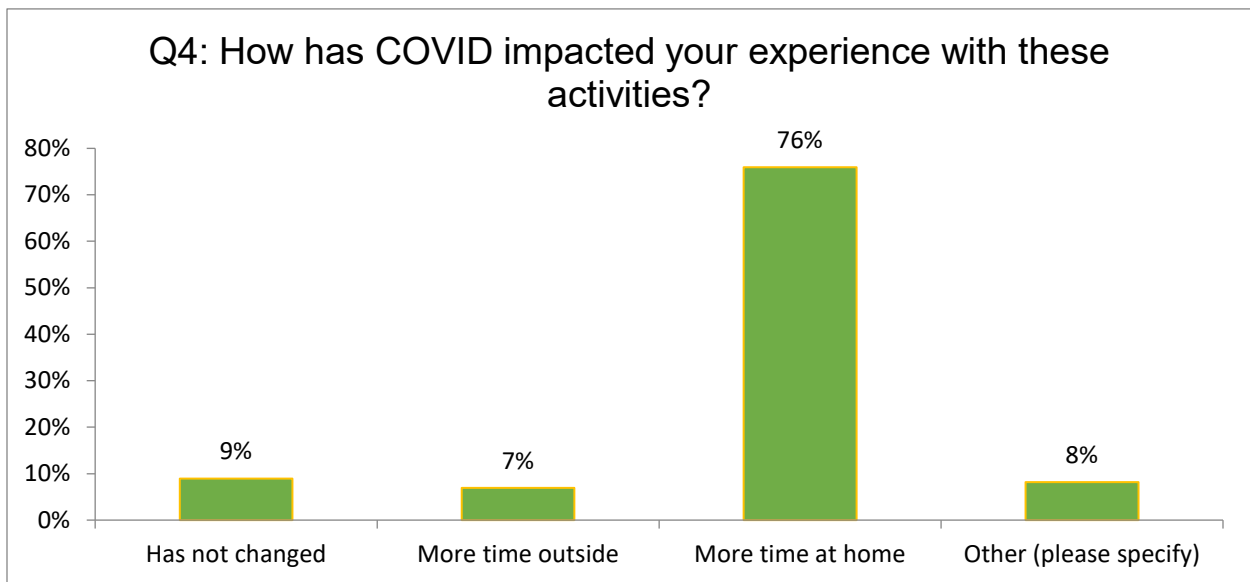

Question 3 (Q3) asked students if they typically stay in Town or travel outside of Town for the activities mentioned above. Of the responses received 57% selected travel outside of Town and the remaining 43% selected stay in Town.

Question 4 (Q4) of the survey asked students how COVID impacted their experience with these activities selected in Q2.

Most students (76%) indicated more time at home. It is important to note that as the pandemic subsides there may be a shift in how and where students spend time as shops and restaurants reopen.

Question 5 (Q5) was an open-ended question asking students if a friend were visiting you for the weekend, where would you take them in Town? Of the responses received, the most expressed activity was going out to eat. A number of favorite restaurants were mentioned, including Front Street Delicatessen and Pizzeria, Pizza Works, Coffee Planet, and Iron Roost which are located in the Village of Ballston Spa. Next students noted going to a park to walk or bike or visiting Ballston Lake. Activities like bowling, shopping, and movies were noted as well. Furthermore, staying home was mentioned by a large percentage of the students which may be due to the ongoing pandemic. Also a note, it appeared from several comments that many students relate to the Village of Ballston Spa as their downtown.

Question 6 (Q6) was an open-ended question asking students what they like best about the Town. The responses that received the most mentioned included the small, quiet character and the friendly people. Other responses with multiple mentions were the parks available and shops in the area. Also a note that some responses do seem to blend the Town and the Village of Ballston Spa.

Question 7 (Q7) asked students what they think needs to be changed, fixed, or added in Town. Of the students who answered, a large number suggested the addition of recreation activities such as a skate park, ice rink, or trampoline park as well as more entertainment options and activities for students.

Question 8 (Q8) was an open-ended question for students to note any additional ideas for the future of the Town of Ballston. Of the respondents who answered, the most common recurring suggestion was the desire to improve and expand parks and recreational opportunities and improve the facilities within the parks. Students stated a skate park, or the addition of an ice-skating rink would be a welcome addition to the Town.

1	i sometimes like to bike, and the sides of the road where i bike are in some places very thin, making it hard to bike	2/6/2021 4:06 PM
2	It would be great if we put a Target or a Market 32 so it's easier for younger people to get jobs and it could be easier to get goods so we don't have to travel so far. I would also love if we had restaurants or cafes. I think it would be really beneficial if we got a cat or dog cafe somewhere in the town. It could give people jobs also help animals get love and maybe even adopted and it would bring people into the area. I've once traveled 2 hours to go to a cat cafe.	2/5/2021 11:38 PM

67	Nothing.	2/4/2021 10:16 AM
68	more sports	2/4/2021 10:16 AM
69	I think our school should have a dance team. I know for a fact that there are a ton of talented dancers in our school that would have tons of fun and absolutely dominate the other schools.	2/4/2021 10:16 AM
70	fix the side walks, some of them are pretty bad.	2/4/2021 10:15 AM

78	I think that the town could make Wiswall Park a bit more fun ad inviting	2/4/2021 10:04 AM
79	I think that we should add a anima adoption center because It would hep home abandoned pets. Plus it would give teens and tweens a chance to help out in the community. A theater and or movie theater would be nice because it would give people to hang out. Paved bike trails would be nice as well because it is incredibly hard to ride a skateboard at Jenkins park. Another thing that would be nice is a rec center. Seniors would have a nice pace to get out of the house and move. Kids could swim and play sports. Another thing thing the rec center could have is language classes. They could have programs to teach languages that are less commonly taught at school such as Japanese. P.S. the bathrooms at Stevens could use some work	2/4/2021 9:52 AM
80	I would really like a store with super aesthetic clothes and skateboards and other things I like.	2/4/2021 9:50 AM
81	I think a skate park with hours 6:00 A.M to 12:00 P.M for kids 14 and under and hours after 12:pm would be for adults.	2/4/2021 9:41 AM
82	I think that in boston needs a brand new skating rink (one that well taken care of) so that there aren't as many bumps and with less bumps, kids fall a lot less	2/4/2021 9:41 AM
83	more places with activities like roller skating or trampoline park	2/4/2021 9:40 AM
84	I think that we should have a local theater for dance or performing arts. This theater could be accessible to everyone with permission so school's could stage their performances here or dance schools could preform their recitals.	2/4/2021 9:40 AM
85	I think we need a skate park, because a lot of kids have to travel far to go to one. I also think that someone should be a volunteer that clears off and checks the ice at Jenkins to make sure it is safe because I often ice skate there.	2/4/2021 9:39 AM
86	I think that there are some buildings that are in need of renovation because then it would make it more pretty to look at. I also think that some restaurants and shops could be added, but I'm not sure what types.	2/4/2021 9:39 AM
87	Sometimes I bike around town to see my friends, and it would be nice if on some of the main roads there were sidewalks so I felt safer and less like I could get run over by a car.	2/4/2021 9:37 AM

95	It's kind of boring, not many exciting places. Just places that happen to be there	2/4/2021 9:20 AM
96	I think adding an arcade, like a Dave and Busters to the town would be nice, so then people wouldn't have to leave town to go to an arcade such as Dave and Busters.	2/4/2021 9:08 AM
97	I think there should have a dance place, skating and bowling. I miss Tippy bowl. I also feel that a camping place would be a awesome addition to Ballston Spa.	2/4/2021 9:08 AM
98	We need a chick fle in this town badly	2/4/2021 9:03 AM
99	more flowers and greenery	2/4/2021 9:02 AM
100	the soccer fields	2/4/2021 8:58 AM

122	I would recommend taking out the Vape Cloud in the Dollar General Plaza. It is an eyesore for the community and it's 0.8 miles away from the BHBL High School and Middle School. It's not a good look nor something that should be encouraged in our area. I think that Burnt Hills Lanes should be rebuilt. It was a very popular when it was still in business and I know it would bring in a lot of revenue for our community. I think something should be done to improve the safety at the intersection of Route 50 and Lake Hill Road especially with the new Stewarts being built there. Maybe add a farmers market or make an area for a flea market. I would also love to get a coffee shop and a bakery (that sells both bread and pastries).	2/3/2021 8:00 PM
123	Maybe some more activities, like things that aren't solely for little kids or adults but just stuff	2/3/2021 2:20 PM

#	RESPONSES	DATE
1	I would really like to see stores like Market 32 Target or Hannaford. I would also love to see more parks, restaurants or cafes.	2/5/2021 11:38 PM
2	The farm first and keeping Ballston Rural is of top importance. Putting in something exciting like a small movie theater out of the way obviously would be great for business as visitors would bring money after seeing a show. We locals, especially the youth would like something to do other than going fishing or eating. Don't pull a Scotia and place massive apartment or residential complexes that would involve a massive movement of people that would not only send folks off with the increased taxes but remove the feeling of a semi-rural community.	2/5/2021 10:39 AM
3	Better Boat Launch	2/5/2021 10:19 AM

39	Just some more things but still it needs to keep the charm.	2/4/2021 10:07 AM
40	Doesn't seem like a "farms first community" It seems more like a "disregard the opinions of our citizens, and cave to whichever development company offers us the most money community" Also NYS state has a decreasing population. Our county only sees a higher demand for housing because of one major employer, global foundries. We also have a fairly older population. So is it smart to encourage such a plethora of houses to be built in an area that is entirely reliant on one major source of employment and also has an elderly population? If we look at history such as with General Electric in Schenectady, we can see that such choices use for forethought and can destroy the housing market.	2/4/2021 10:07 AM
41	A skate park and sports fields could be behind the rec center.	2/4/2021 9:52 AM
42	I just like the community and I would really appreciate a skate park that is kid friendly.	2/4/2021 9:41 AM
43	more shops	2/4/2021 9:40 AM
44	Maybe have a building where kids like me could volunteer their time because most places you have to be 18 or older to volunteer.	2/4/2021 9:40 AM
45	I would like to have a skate park added either at Jenkins Park or Indian Meadows park, or even both.	2/4/2021 9:39 AM

58	I don't really have any additional ideas for the Town of Ballston.	2/4/2021 8:44 AM
